

# I-80 CORRIDOR - MOVING FORWARD

## JOIN US FOR...

a discussion on the future of the I-80 corridor. Caltrans and the Yolo Transportation District (YoloTD) will provide information about the application of two grants to provide congestion relief, improve transit, improve transportation options, and support local communities on and along the Interstate 80 corridor in Yolo County. If awarded the grants would fully fund 17 miles of Express lane in both directions from Richards BLVD in Davis to the 80/50 interchange in West Sacramento.
