

Appendix G: Fuel Payment Program

1. YoloTD shall pay CONTRACTOR for fuel purchased by CONTRACTOR and consumed on YoloTD buses, YoloTD Paratransit vehicles, and YoloTD Microtransit Vans.

- a. Bus Diesel and Gasoline Fuel. YoloTD shall pay CONTRACTOR based on the following:
Total Gallons Consumed on buses for Month
Times
Rate Per Gallon net of exempt taxes*
- b. Compressed Natural Gas Buses.
YoloTD shall pay the state department of General services and PG&E directly.
- c. Electric Buses and YoloTD Electric Vehicles:
YoloTD shall pay PG&E directly.

2. Rate Per Gallon Calculation

- a. YoloTD shall pay CONTRACTOR for bus fuel purchased by CONTRACTOR and consumed by YoloTD buses based on the rate per gallon as charged by fuel provider approved by YoloTD.
- b. In all cases, taxes for which transit is exempt from paying shall be excluded from the payment rate. The Executive Director reserves the right to require CONTRACTOR to choose a vendor that uses a card lock system.

3. YoloTD shall not be obligated to pay CONTRACTOR for fuel purchased directly by YoloTD from a third party and consumed by YoloTD buses.

YoloTD has no obligation to provide additional compensation to CONTRACTOR for fuel purchased for service trucks, staff vehicles, forklifts, tractors, or other equipment, as the cost of that fuel is covered in CONTRACTOR'S proposal.
